A son who is cursed with a harridan mother
Or a weak simpering father at best
Is raised to play out the timeless classical motives
Of filial love and incest

How does he speak to a
How does he speak to the prettiest girl
How does he talk to her
What does he say for an opening line
What does he say if he's shy

What do you do with your pragmatic passions
With your classically neurotic style
How do you deal with your vague self-comprehension's
What do you do when you lie

How do you speak to a
How do you speak to the prettiest girl
How do you speak to her
How do you dance on the head of a pin
When you're on the outside looking in

How do you speak to a
How do you speak to the prettiest girl
How do you speak to a
How do you speak to the prettiest girl
How do you speak to a
How do you speak to the prettiest girl
How do you speak to a
How do you speak to the prettiest girl

How do you speak to a
How do you speak to the prettiest girl
How do you speak to a
How do you speak to the prettiest girl
You just say, hello, (hello) baby (hello)

...

Baby, angel, how do you talk to the prettiest girl, you
say
Hello baby, hello baby, angel, angel, pretty little girl
Angel, angel
