Valerie Solanis took the elevator  
Got off at the forth floor  
Valerie Solanis took the elevator  
Got off at the forth floor  
She pointed the gun at Andy saying  
?You cannot control me anymore?

I believe there's got to be some retribution  
I believe an eye for an eye is elemental  
I believe that something's wrong  
If she's alive right now

Valerie Solanis took three steps  
Pointing at the floor  
Valerie Solanis waved her gun  
Pointing at the floor  
From inside her idiot madness, spoke  
And bang, Andy fell onto the floor

I believe life's serious enough for retribution  
I believe being sick is no excuse  
And I believe I would've pulled  
The switch on her myself

When they got him to the hospital  
His pulse was gone they thought that he was dead  
His guts were pouring from his wounds  
Onto the floor they thought that he was dead

Not until years later  
Would the hospital do to him  
What she could not, what she could not  
Where were you, you didn't come to see me

Andy said, "I think I died, why  
Didn't you come to see me??  
Andy said, ?It hurt so much  
They took blood from my hand?

I believe there's got to be some retribution  
I believe there's got to be some restitution  
I believe we are all the poorer for it now

Visit me, visit me, visit me, visit me  
Visit me, why didn't you visit me?  
Visit me, why didn't you visit me?  
Visit me, visit me, visit me  
Why didn't you visit me ?
