When I think of all the things I've done  
And I know that it's only just begun  
Those smiling faces, you know  
I just can't forget 'em

But I love you

When I think of all the things I've seen  
And I know that it's only the beginning  
You know those smiling faces  
I just can't forget 'em

But for now, I love you

Just for a little while  
Oh baby, just to see you smile  
Just for a little while

When I think of all the things I've done  
And I know that it's only just begun  
Oh, smiling faces, Jesus, You know  
I can't forget 'em

But for now, I love you

Right this minute, baby now  
I love you  
At least for now, I love you
