I remember you
I remember me
I remember
I remember how things used to be
I remember every word that you said
I remember, how could I forget
I remember, I remember you
(I remember, I remember)

I remember you
I remember your old address
And I remember
How could I forget
I remember thinking how my luck changed
I remember being so amazed
I remember, I remember you
(I remember, I remember)
I remember, I remember you
(I remember, I remember)

I remember you
I remember me
I remember
The way things used to be
I remember how it was that we met
I remember, I will never forget
I remember, I remember you
(I remember, I remember)
I remember, I remember you
(I remember, I remember)
I remember, I remember you
(I remember, I remember)
I remember, I remember you
(I remember, I remember)
I remember, I remember you
(I remember, I remember)
I remember, I remember you
