(feat. Laurie Anderson)

In our sleep, as we speak

Listen to the drum's beat, as we speak

In our sleep, as we speak

Listen to the drum's beat, in our sleep

In our sleep, as we speak

Listen to the drum's beat, as we speak

As we speak, in our sleep

Listen to the drum's beat, in our sleep

In our sleep, as we speak

Listen to the drum's beat, as we speak

In our sleep, as we speak

Listen to the drum's beat, in our sleep

In our sleep ...
