Little dog can't get in  
Moaning at the bed side  
Moaning from each limb  
Little dog who can't get in  
Can only cry but  
Can not swim  
Pony legs, little trot  
little dog has to wait a lot  
The bigger dog has got his spot  
and elbowed him away  
Listen to him barking  
Listen to him call  
Little dog dont have much at all  
A puny little body and a tiny dick  
A little dog can make you sick  
If you got the money you can go to the top  
The female dog dont care what you got  
As long as you can raise that  
Little doggie face to a cold hearted pussy  
you could have a taste  
A taste of what the big dog got  
A taste of what the big dog got  
the little dog with the  
one hundred dollar spot  
can run his tongue over the hot in trot  
Money can do anything  
Money can do anything  
Money can do anything  
Tell me what you want

my small dog he want what I got  
Wants to run his tongue over my hot spot  
Pathetic little dog  
Pathetic little dog  
the little man follows his nose  
counts his fingers and toes  
he still got those  
Pathetic little dog  
Pathetic little dog  
Following his nose  
But it needs money to buy

I'm an up while you're a down  
I'm an up while you're a down  
The spring and the will follow me around  
while you sniff your shit in the wind  
sniff your shit in the wind  
money can do anything  
money can do anything  
tell me what it is you want  
Im an up while you're a down  
the spring and the will follow me around  
Tell me what it is you want  
tell me what it is you want  
you sniff your shit in the wind  
follow me around  
pathetic little dog  
pathetic little dog  
pathetic little dog
