You're the kind of girl that  
Everybody's warned me about  
You're the kind of person that  
Everybody's here staring at  
But now you are a topless dancer  
Working out of a bar on times square  
And everybody wishes you were back down in some  
corner  
Only baby know, you make me go

Ooohhh baby, ooohhh baby, ooohhh baby  
Ooohhh-ooohhh-ooohhh  
Ooohhh baby, ooohhh baby, ooohhh baby  
Ooohhh-ooohhh-ooohhh

Your old man was the best p and e man  
Down on the streets  
And all the guy in the precinct  
Always was watching for him on the beat  
But when he ripped off seymour  
He was really not a doing so fine  
And everything is knots, well except -  
- his hands and legs and maybe even mime  
He see they just make them strip off, they say

Ooohhh baby, ooohhh baby, ooohhh  
Ooohhh baby, ooohhh  
Ooohhh baby, ooohhh baby, ooohhh  
Hey, baby, ooohhh-ooohhh

It's very funny asking me  
Why they keep the lights on down so low  
Well, yesterday's chase's today's competition  
Or didn't you know  
And all the fluorescent lighting make so your wrinkles  
They don't show

And it's very funny the way that  
20 bucks an hour cannot go  
If you don't make 'em go, now, now, now

Ooohhh baby, ooohhh baby, ooohhh

Ooohhh baby, ooohhh  
Ooohhh baby, ooohhh baby, ooohhh baby  
Ooohhh-ooohhh-ooohhh

Everybody wondered 'bout you when you was seen  
In drinking some beer  
You got here from ohio and your mother said  
You hooked her in the real near  
That's the way it goes now

Ooohhh baby, ooohhh baby, ooohhh baby  
Ooohhh-ooohhh-ooohhh  
Hey, shake your bones now, mama  
Ooohhh baby, ooohhh baby, ah  
Hey, ooohhh baby, ooohhh  
Walk it, now

(ooohhh baby, ooohhh, ooohhh baby, ooohhh) get  
down  
(ooohhh baby, ooohhh, ooohhh baby, ooohhh)  
(ooohhh baby, ooohhh, ooohhh baby, ooohhh)  
(ooohhh baby, ooohhh, ooohhh baby, ooohhh)  
(ooohhh baby, ooohhh, ooohhh baby, ooohhh)  
(ooohhh baby, ooohhh, ooohhh baby, ooohhh)  
(ooohhh baby, ooohhh, ooohhh baby, ooohhh)  
(ooohhh baby, ooohhh, ooohhh baby, ooohhh)  
...
