I was thinking of things that I hate to do  
Sex with your parents  
Things you do to me or I do to you, baby  
Sex with your parents

Something fatter or uglier than rush rambo  
Something more disgusting than robert dole  
Something pink that climbs out of a hole  
And there it was - sex with your parents

I was getting so sick of this right wing republican shit  
These ugly old man scared of young tit and dick  
So I try to think of something that made me sick  
And there it was - sex with your parents

Now these old fucks can steal all they want  
And they can go and pass laws saying you can't say  
what you want  
And you can't look at this and you can't look at that  
And you can't smoke this and you can't snort that  
And me baby - I got statistics - I got stats  
These people have been to bed with their parents

Now I know you're shocked but hang and have a brew  
If you think about it for a minute you know that it's true

They're ashamed and repelled and they don't know  
what to do  
They've had sex with their parents  
When they looked into their lovers eyes they saw - mom  
In the name of the family values we must ask whose  
family  
In the name of the family values we must ask - senator

It's has been reported that you have had  
Illegal congress with your mother, - sex with your  
parents  
Ah, senator  
An illegal congress by proxy is a  
Pigeon by any other name, - sex with your parents

Senators you polish a turd

Here in the big city we got a word  
For those who would bed their beloved big bird  
And make a mockery of our freedoms  
Ah, without even using a condom  
Without even saying "no"  
By God we have a name for people like that  
It's - hey motherfucker
