Sister Ray

-White Light/White Heat

Duck and Sally inside

They're cooking for the down five

Who're staring at Miss Rayon

Who's busy licking up her big man

I'm searching for my mainline

I said I couldn't hit it sideways

I said I couldn't hit it sideways

Ah, it's jsut like Sister Ray says

Rosy and Miss Rayon

They're busy waiting for her booster

Who just got back from Carolina

She said she didn't like the weather

They're busy waiting for her Sailor

Who said he's just as big as ever

He's just here from Alabama

He wants to know a way to earn a dollar

I'm searching for my mainline

I couldn't hit it sideways

Ah, just like Sister Ray said

Cecil's got his new piece

He cocks and shoots between three and four

He aims it at the Sailor

Shoots him down dead on the floor

Oh, you shouldn't do that

Don't you know you'll stain the carpet

Don't you know you'll stain the carpet

And by the way man, have you got a dollar

Oh no man, I haven't got the time time

Too busy sucking on a ding dong

She's too busy sucking on my ding dong

Oh, she does it just like Sister Ray said

I'm searching for my mainline

I said I couldn't hit it sideways

I couldn't hit it sideways

Oh, just like, just like Sister Ray says

Now, who's that knocking

Who's that knocking on my chamber dooe

Now could it be the police

They've come to take me for a ride ride

Oh, but I haven't got the time time
Too busy sucking on my ding dong
She's too busy sucking on my ding dong
Oh, now, just like Sister Ray said
I'm searching on my line
I couldn't hit it sideways
I couldn't hit it sideways
Oh now, just like, just like, just like.....
Sister Ray says.
(and more Burroughsian permutations for the
rest of the 17 minutes)
