Waltzing Matilda whipped out her wallet
Sexy boys smiled in dismay
She took out four twenties, 'cause she liked brown
figures
Everybody screamed for a day
Oh, babe, I'm on fire and, you know that I admire your
body
Why don't we slip away - hey
Although I'm sure you're certain, it's a rarity me flirtin'
She la la la this way - hey
Oh sha la la la la - sha la la la - hey
Baby, come on, let's slip away
Luscious and gorgeous, oh what a hunk of muscle
Call out the National Guard
She creamed in her jeans as he picked up her knees
From off of the formica topped board
And cascading slowly, he lifted her wholly and boldly
Out of this world
And despite people's derision proved to be more than
diversion
Sha la la la later on and then sha la la la la la
He entered her slowly and showed her where he was
coming from
And then sha la la la la he made love to her gently
It was like she never ever come
And then sha la la la la when the sun rose and he made
to leave
You know sha la la la la, sha la la la la
Neither one regretted a thing
