Valerie Solanis took the elevator got off at the 4th floor
Valerie Solanis took the elevator got off at the 4th floor
She pointed the gun at Andy saying you cannot control
me anymore I believe there's got to be some retribution
I believe an eye for an eye is elemental I believe that
something's wrong if she's alive right now Valerie
Solanis took three steps pointing at the floor Valerie
Solanis waved her gun pointing at the floor From inside
her idiot madness spoke and bang, Andy fell onto the
floor I believe life's serious enough for retribution I
believe being sick is no excuse and I believe I would've
pulled the switch on her myself When they got him to
the hospital his pulse was gone they thought that he
was dead His guts were pouring from his wounds onto
the floor they thought that he was dead Not until years
later would the hospital do to him what she could not,
what she could not "Where were you, you didn't come
to see me" Andy said, "I think I died, why didn't you
come to see me" Andy said, "it hurt so much, they took
blood from my hand" I believe there's got to be some
retribution I believe there's got to be some retribution I
believe we are all the poorer for it now Visit me, visit
me Visit me, visit me Visit me, why didn't you visit me
Visit me, why didn't you visit me Visit me, visit me Visit
me, why didn't you visit me
