I think images are worth repeating images repeated
from a painting Images taken from a painting from a
photo worth re-seeing I love images worth repeating
project them upon the ceiling Multiply them with silk
screening see them with a different feeling Images,
oh, images Images, oh, images Some say images have
no feeling I think there's a deeper meaning Mechanical
precision or so it's seeming instigates a cooler feeling I
love multiplicity of screenings things born anew display
new meanings I think images are worth repeating and
repeating and repeating Images, oh, images Images,
images I'm no urban idiot savant spewing paint without
any order I'm no sphinx, no mystery enigma what I
paint is very ordinary I don't think I'm old or modern I
don't think I think I'm thinking It doesn't matter what I'm
thinking It's the images that are worth repeating Ah,
repeating, images Images If you're looking for a
deeper meaning I'm as deep as this high ceiling If you
think technique is meaning you might find me very
simple You might think that images boring Cars and
cans and chairs and flowers You might find me
personally boring Hammer, sickle, Mao Tse Tong Mao
Tse Tong Images, images, images I think that it bears
repeating the images upon the ceiling I love images
worth repeating and repeating and repeating Images,
images Oh, images, oh, images
