Lou Reed & John Cale
"It Wasn't Me"

It wasn't me who shamed you, it's not fair to say that
You wanted to work I gave you a chance at that It wasn't
me who hurt you, that's more credit that I'm worth Don't
threaten me with the things you'll do to you It wasn't
who shamed you, it wasn't me who brought you down
You did it to yourself without any help from me It wasn't
me who hurt you, I showed you possibilities The
problems you had were there before you met me I
didn't say this had to be You can't blame these things
on me It wasn't me, it wasn't me, it wasn't me I know
she's dead, it wasn't me It wasn't me who changed
you, you did it to yourself I'm not an excuse for the hole
you dropped in I'm not simple minded but I'm not
father to you at all Death exists but you do things to
yourself I never said give up control I never said stick a
needle in your arm and die It wasn't me, it wasn't me, it
wasn't me I know she's dead but it wasn't me It wasn't
me who shamed you, who covered you with mud You
did it to yourself without any help from me You act as I
could've told you or stopped you like some god But
people never listen and you know that that's a fact I
never said slit your wrists and die I never said throw
your life away It wasn't me, it wasn't me, it wasn't me
You're killing yourself, you can't blame me
