Can you see through all these filthy rags  
That I like to call my good  
And see the mirror of my heart reflecting you  
I know you listen to me, but what do you hear  
Am I lovely to your ear?

All I want is to hear you say "well done"  
Are you pleased with me?  
Am I everything you want for me to be?  
Are you pleased?

I know that I am nothing  
Outside of who you are  
And it's you I should be striving to become  
I know you're watching over me, but what do you see

Am I moving towards the grace that covers me?

pre-chorus

Are you pleased with me?  
Am I everything you want for me to be?  
Am I drawing closer to you?  
Is my heart deciding you are all I need?  
Are you pleased?  
Oh, I know I could never do enough on my own  
But still you see me through the precious blood  
Oh, it's only the blood of Jesus...  
All I want is to hear you say "well done"

pre-chorus \* chorus 2
