You can never understand
just how scared I am.
I've lived and loved and
lost a thousand times.
This is a second chance
just to make it past
all this energy.

Chorus:

I don't wanna cry
tonight. Don't wanna
hang my heart on my
sleeve. But You're
everything my soul
could ever need.
I don't wanna cry
tonight.

Just a little faith
gets us farther in
this race. But we
all know trust don't
come too easily. Is
this just romance?
Will we take a chance
on something beautiful?

Chorus 2:

I don't wanna cry tonight.
Don't wanna hang my heart
on my sleeve. But You're
everything my soul
could ever need. I don't
wanna cry tonight. Don't
wanna know my heart's broke
in two. 'Cause all I'll ever
need right here is You. I
don't wanna cry tonight.

Don't say it's hard enough
to be myself 'cause all I
ever need is You. All I need

is You.

(Chorus 2)
