Bought culture  
Got some liquor with a video  
Fly falling  
Never know who's on the ground below  
Turn my better nature

Rust farmer  
Drinking in the old scenario  
Safe harbor  
From the thought I had a week ago  
Turn my better nature  
Thinking I bought culture

Press me Shiralee, there's no such home free ride  
(Press, distress me - half way to)  
Drive me Shiralee, drive some way outside  
(Drive, revive me)  
Home's just too far gone home

Abstraction  
From a class I took in stereo  
Lost traction  
But I think I might have started slow  
Turn my better nature  
Buckled under pressure  
Thinking I bought culture

Press me Shiralee, there's no such home free ride  
(Press, distress me -- half way to)  
Drive me Shiralee, drive some way outside  
(Drive, revive me)  
Home's just too far gone home

Bought culture  
Though I lost it quite a while ago  
Still thinking  
Maybe one last thing I might outgrow  
No more better nature

Press me Shiralee, there's no such home free ride  
(Press, distress me - half way to)  
Drive me Shiralee, drive some way outside

(Drive, revive me)  
Home's just too far gone home
