When  
Mozart sonatas play  
When Mozart sonatas play it's fine  
When Mozart sonatas play it's fine  
When Mozart sonatas play it's fine  
Fine but we can hear his mind  
Hear his genius mind  
Hear the wheels of genius grind  
And they ought to post a sign  
Post a sign

When  
Duchamp does readymades  
When Duchamp does readymades we're sold  
When Duchamp does readymades we're sold  
When Duchamp does readymades we're sold  
When he says "it's art" we're sold  
'Cause the statement's bold  
I can't see it getting old  
We do anything we're told  
Thing we're told

When  
They said the Buddha woke  
When they said the Buddha woke we heard  
When they said the Buddha woke we heard  
When they said the Buddha woke we heard  
Heard but still it sounds absurd  
Second-, maybe third-  
Hand relay of what occurred  
And we don't believe a word  
Not a word
