Top dollar

Top dollar
Survivalist hardware
How did you come to this sorry impasse?
Top dollar
Survivalist
Survival
I'm a fighter
Use kung fu each time I can
Not that I like it
Not that it's really what I am

Where does the line between
Defended
And defensive
Stand?
Tour Eiffel, Napoleon
Names and places that are living on long
Do me a favor, forget me quick when I'm gone

Alexander lived in times before the Duke of Earl
The Greeks all told him that he threw the discus like a
girl
He didn't have a healthy outlet for his anger
So he took over the world

L. Ron Hubbard was a science fiction prot?g?
Couldn't stand to watch his royalties get taxed away
Now big celebs are walking round who think he's Jesus
What would David Koresh say?

Tour Eiffel, Napoleon
Names and places that are living on long
Do me a favor, forget me quick when I'm gone

This is when it all stops being fun, Madison
This is when they don't care where you're from
This is when there's no one last dry run, Madison
This is when you do or do not come

Tour Eiffel, Napoleon

Names and places that are living on long
Do me a favor, forget me quick when I'm gone

This is when skin burns if there's hot sun, Madison
This is when the slow horse thieves get hung

Top dollar survivalist, survival, servile, vile
