Crushing skulls  
Mutilated limbs  
I delight in tormenting  
Bloody vomit  
Rotting guts  
Repulsion is my kingdom  
Screams Of horror  
Final agony  
Face the ultimate pain  
Cut throats  
Horrific sight  
I stab you to death

Slaughtering  
Blowing  
Ripping  
Mangling

Nasty desire  
Agony  
Macabre pleasure  
Agony  
Dreadful night  
Agony  
Helpless with fear

Corpse in decay  
Flesh tears to pieces  
Flee my sadistic brain  
Pools of blood  
Lacerated defuncts  
Enter the human slaughterhouse  
Infested bowels  
Contorted bodies  
Torture has no boundaries  
Stench of the carrion  
Decomposed victims  
You die in pain

Slaughtering  
Blowing

Ripping  
Mangling

Nasty desire  
Agony  
Macabre pleasure  
Agony  
Dreadful night  
Agony  
Helpless with fear

I break you into bits  
It's time to know the agony  
I deliver you from life  
Rejoin the necropolis
