Trust this message of God,
A wise explanation will calm your soul.
Serene beings, Credible sermons.
Who's able to soothe our anguish?
Is religion the way God chose to control our mind?
To put our spirits in peace?
Disquieting beliefs.
Believe what you're told but confess your mistrust.
Don't search for certainty otherwise...
You'll disagree. You'll disagree.

The knowledge of God implies acceptance of the
Antichrist,
And you fear to believe.
Anxious beings, Insane sermons.

Disquieting beliefs.
Believe what you're told but confess your mistrust.
Don't search for certainty otherwise...

Absurdity surmounts. Eviction or your denial to be free?
Absurdity gets stronger.
Can't you hide from all the symbols of this mental
slavery?
"And he opened his mouth in blasphemy against God
To blaspheme his name. And power was given him over
All kindreds, tongues and nations..."
The knowledge of God implies acceptance of the
Antichrist,
And you fear to believe.
Anxious beings, Insane sermons.
