Yeah. Sensuality on alert Our appetite for sex is stronger than ever forgotten In sexual delight Hungry for you more than ever Join me into the heat of penetration Let's go out of time Let's go out of space more than any drugs, sex is the ultimate one As sweet as a promise, as hard as a lie Let go everything that's deep inside you Throw ourselves into this dazzling abyss To feel the thrill of the highest degree Let go that's deep inside me Throw ourselves into this dazzling abyss Let's go out of time. In this new dimension we are now wizards we'll never

he

afraid again, never again

Old age and death can't reach us

During this paroxysm of senses This paroxysm in

madness

Let go everything that's deep inside you

Throw ourselves into this dazzling abyss

To feel the thrill of the highest degree

Let go that's deep inside me

Throw ourselves into this dazzling abyss
