Trepanning

Trepanning  
Trepanning  
Trepanning

Corroding your freedom  
Narrowing the mind  
Expression of pure hate  
Intolerance in all its ugliness  
It's probably tried to enter you

Human feelings are so strange  
Mankind is sometimes so stupid  
Pushing away what people call love  
To the last wall of hate

Trepanning  
Trepanning

Trepanning  
Trepanning  
Trepanning

Jealousy is as frightful as murder  
Flee its company  
And you'll find felicity  
Succeed in life, you trigger envy off  
You'll intersect its path again

Put your trust in someone  
Your disappointment  
Will be bigger than ever  
Only waiting for the mistake  
Which will drag you down  
She'll take your place  
The vicious circle continues
