From the album ³Sublime Dementia² - 1993 /
Semetary Records (FNAC)

We spend our time, so busy

We strive for perfection

But the perfection of common generosity

On the way to chaos

(Lead Leclercq)

There's a cover of wisdom

Which coats you

Turn the scales

There's a clone of wisdom

Which blind you

Who decides ?

Turn the scales

We legislate, we define

We sanction

Not for suffering and sinking

On the way to chaos

There's a cover of wisdom

Which coats you

Turn the scales

There's a clone of wisdom

Which blinds you

Who decides ?

Turn the scales

We test your conscience

We exploit your world

The truth is hidden

When is it time for essential satisfaction ?

(Lead Buriez)

Where is desire ?

Where is pleasure ?

There's a cover of wisdom, which coats you

Turn the scales

There's a clone of wisdom, which blinds you

Turn the scales

(Lead Buriez)
