I've been searching
Thru this heart of mine
Feeling captured
By a world of changes
Silent pictures
In the course of time
Lead me gently
Thru the open pages

(Chorus)
How long
Can we keep holding on
Are we only a step away
What's left
When all the hope is gone
Leaving only the pain -- deep
Inside

I remember
How it used to be
Long before we felt
The hand of sorrow
Holding traces of a memory
On empty pages
Where there's no tomorrow

(Chorus)
How long
Can we keep holding on
Are we only a step away
What's left
When all the hope is gone
Leaving only the pain -- deep
Inside

Now I can't believe
You left me just
"Twenty-five days from home"
You've takin' the dreams
And left me just
"Twenty-five days from home"

Now I can't explain
Nothing's the same
Without your love
"Twenty-five days from home"
No, I can't believe
I'm alone
"Twenty-five days from home"
