"Everyone Knows"

Everybody knows that I love you
Everybody knows that it's true
Everyone's aware that I really care
Everyone, that is, but you
Everybody knows that I need you
Everybody knows that it's true
Everyone is wise that you're in my eyes
Everyone that is, but you
Mary Lou and Jerry too, know I'm acting strange
They wonder why you haven't noticed the change
Even your best friends that know it's true
Why, oh why, can't you see it too
Everybody knows that I love you
Ev'rybody knows that it's true
Ev'ryone's informed that you make me warm
Ev'ryone, that is, but you.
