"Face To Face"

Fading light, broken hearts, I left
Them all behind
Turned to stone, I choose to roam
The wild world
Broken dreams, pools of tears,
Nothing do they mean
Came the night, to pay the price
Of love

(Chorus)
I see the faces in the fire, still
Burning
I feel the hunger of the flame,
Reaching to me

I see the faces in the fire, I'm
Learning
I'm just a fool in Paradise, (in
Love) and I'll never get free

I turned away so long ago,
Looking for the change
My promises, they rode upon the
Wind
Came the night the air was cold,
With a flood of memories
Coming back to haunt my empty
Soul
