Right Away! Oh, we gonna tell you
Right Away! It's open fire
We gotta, gotta put more fight
We were born to be hell fire soldier

* Look out! Gonna kick your ass
Carry on! What you wanna do
We gotta, gotta put more fight
We were born to be hell fire soldier

** Fantastic lovely emotion
We feel like communication
Can't you see? Can't you feel it?
We gotta do it, baby

All right

(Fight! Fight! Your more fight!)

We are ready for a fight
We gonna give you a fight
We gotta, gotta put more fight
We were born to be hell fire soldier

* repeat

** repeat

Sensation! Ooh baby! Sensation!
Put your more fight!
Sensation! Ooh baby! Sensation!
Put you're more fight!

Fantastic lovely emotion
We feel like communication

** repeat

(Fight! Fight! Your more fight!)
