"Two Strangers In Love"

Looks are deceiving, words are too
So what can two strangers in love do?
Both on the rebound, both on the mend
So where do two strangers in love begin
Both are in love, though
They just met
But both are too cautious
To show it yet
Smiles are deceiving
Kisses are too
So what can two strangers in love do?
Both need a lover
Need a sweetheart
But where do two strangers in love start?
Both over-anxious to forget their past
But both afraid to fall for fear this too won't last
Both need a lover, need a sweetheart
But where do two strangers in love start
Smiles are deceiving, kisses are too
So what can two strangers in love do
