Just after midnight babe
Rock 'n roll never stops
Still it keeps me
Runnin' like a rolling train
Please tell me funny joke
Cuz I gotta release
I feel the pressure in my head

Sex, booze and rock 'n roll
Crazy like leather foxes
Black leather bikini chicks
Watin' for you to come back

Back stage go-go babe
Like a circus after school
Playin' my guitar like a country horse
You got me burnin' up
And now we go over the top
Teenage spirits into the rising sun

* Strip tease mama & rock 'n roll
Crazy go-go never dies
Play my King of rock 'n roll
Earthquake, rattlesnake
Gimme some shake

** Erasing all the history
As I'm walkin' thru these memories
Step into another century

The magic has gone
Still I remember
A time when once
We mixed together

* Repeat
** Repeat

The magic has gone
Still I remember
Promises made

I'll never surrender

Erasing all the history
As I'm walkin' thru these memories
Step into another century

The magic has gone
Still I remember
A time when once
We mixed together
