You come to see the show
Well, we're gonna rock and roll you
Come and get on your seat

We're gonna make you feel alright
Hey, you wanna go crazy tonight
Let me hear you shout and scream

You make me mad and wild
Well, we're gonna rock and pile you
We're gonna do our best

The best kicks you in the head, alright
Yeah, it's gonna get crazy tonight
Let me hear you all go wild

Rock and roll crazy night
You are the heroes tonight
Rock and roll crazy night
You are the hero
