"Dark Desire"

All night long, shout it out
Time for rock and roll
Got to know what it's about
Got to let it go

Slam-diving all children
Born of the night
You got that mad anger
All of your life

Dark!
Got a dark desire
You are dynamite
Rock!
Start a fire with rock
Start a fire tonight

Hit the road, move it out
How you want to be?
Jam it so it makes you shout
Savage honesty

Slam-diving all children
Born of the night
You got that mad anger
All of your life

Dark!
Got a dark desire
You are dynamite
Rock!
Start a fire with rock
Start a fire tonight

Slam-diving all children
Born of the night
You got that mad anger
All of your life

Dark!
Got a dark desire

You are dynamite
Rock!
Start a fire with rock
Start a fire tonight
