New kid in town
He likes getting 'round
Looking for new things to do
Oh, he likes to play
Most any game
And he wants to play with you

When he comes around
Oh, he takes it all the way
He's moving up and down
He gets right in you

Down, down, down
Down 'n dirty
Down, down, down
Down 'n dirty

Oh, he just might stay
If you wanna play
Like a cat, he's on the prowl
I know what I wanna do
What I wanna do to you
I'm gonna make it stick like glue

Moving in and out
In the alley or the street
Oh, I'll show you how
How to play me

Down, down, down
Down 'n dirty
Down, down, down
Down 'n dirty

Just like a pussycat in heat
You're always scratching at the post
Red light, green light, go

Slip inside, it's suicide
Take you for a ride
Meet Mr. Hyde

Gonna turn the tide for you
Slip inside, it's suicide
Take you for a ride
Meet Mr. Hyde
Gonna turn the tide for you

When he comes around
Oh, he takes it all the way
Moving up and down
He likes to get you

Down, down, down
Down 'n dirty
Down, down, down
Down 'n dirty
Down, down, down
Down 'n dirty
Down, down, down
Down 'n dirty
