I'm your guilt  
I'm your shame  
I get burned  
In your flame  
Poisoned seed  
Is all you need  
Innocence will  
Start to bleed

Ash to ash  
Dust to dust  
Faith is lost  
Hope is crushed  
In your face  
The master race  
Visitors  
From outer space

I'm coming close to you

I'm your monk  
Yakuza punk  
Godzilla drunk  
Geisha bar

Nihon god  
Asian mob  
Mother sperm  
Here to rob

I'm coming close to you

Ghetto Machine  
Ghetto Machine

Temple falls to the ground  
Volcano runs thru the town

Ghetto Machine  
Ghetto Machine  
(Til the end of time)
