She wants to run, goin' on,  
Point of no return  
No looking back, hope is gone,  
Just a slow burning  
Lost without love, so she tries  
To get all she can  
Into the night, desperate eyes,  
Look for helping hands  
Like a scream, the siren's call  
Now it seems she's lost to all  
Moving slow, and trapped in pain  
Don't run with heavy chains  
What's left is torn apart  
Heavy chains on heavy heart  
Her broken life  
Her broken heart  
Broken promises lost and found  
Just like a knife  
Into her heart  
Keeping her down  
What's left is ripped apart  
Heavy chains on heavy heart  
Broken pieces of life  
Broken pieces of heart  
Broken pieces of promises lost and found  
Heavy chains like a knife  
Cutting into her heart  
Keeping her down  
Ohh, heavy chains!
