On the midnight highway  
Gas pedal to the ground  
Shrieking tires It's howling  
As the dawn approaches  
The sky burns in flames  
I'm gettin off Driving high

We are the demons of the highway  
Hang onto the steering wheel

\*

Live for the moment (fight to be free)  
Don't ever regret (fight to be free)  
Let me hear you shout  
Instinctive passion  
Ignite fuel in me

Set off the fire  
Your reason for desire  
Throw all your rule books away  
Breaking the chains of law and order  
Unleash the beast in you right now

We are the monsters of the highway  
The sensation fires off in our head

Live for the moment (fight to be free)  
Don't ever regret (fight to be free)  
Let me hear you shout  
The devil inside  
It's bursting through my veins

\* Repeat

Live for the moment  
Fight to be free  
Don't ever regret  
Fight to be free  
Let me hear you shout  
Fight to be free
