I'm a junky - Crazy
A Fighting man wannabe
I'm a junky - Extreme
A lonely Gambling man

I'm a sleep walker - Always
Blown by the wind Rolling stone
I'm a sleep walker - No exception
A sinful playboy Freezing stone

Oh my loving maid

You are my miserable loving maid
Don't cry stop the rain
You are my sad loving maid
Don't cry stop the rain

I'm a dreamer my loving maid
Hope you understand my Blazing heart
I'm a dreamer this is the end
Just a short goodbye Blowing town

Oh my loving maid
