Lost in a dream  
In a dream of you  
All that's left is a tear  
That I cried for you

When you held me in your arms  
You made me feel just like a child  
Safe from all harm

Once in love, now it's gone  
And I stand alone  
There's a place in my heart  
You still have a home

And I'm holding onto dreams  
And the memories of you  
Haunting my soul

Never again will I wake and see you smile  
Never again will I hold you  
Never again, no more planning for tomorrow  
Never again tells a story

It seems so, so long ago  
When you held me near  
I can't take all the pain  
It's so hard to bear

Still I'm holding onto dreams  
And the memories of you  
Haunting my soul

Never again will I wake and see you smile  
Never again will I hold you  
Never again, no more planning for tomorrow  
Never again tells the story

Never again  
Never again  
Never again  
Never again
