Breakin' the law
Taking my chances
Ain't gonna drag me down
Midnight cruiser
In a black sedan
I'm gonna -
Shake this town.

I'm a rd light shooter
Win or loser
And when I come around
Take it
I'm ready, movin' hot n' steady
When the - sun goes down.

Over and over
Wondering who it'll be
Over and over
This time - there's no
Stopping me

[Chorus:]
Red light shooter
I'm a - win or loser
Red light shooter
Reaching out in desperation
Red light shooter
I'm a - win or loser
Red light shooter
Turning on to your temptation
Over and over again...

Takin' a shot
Showin' no mercy
I got my eye on you
Take me under-cover
Like a hungry lover
And do me like you do.

Over and over
Wondering how it could be

Over and over
Your eyes are all I can see.

[Chorus]
