Let's make a noise, here and now, all right
Are you feeling good?
Nothing can stop you tonight
Satisfaction guaranteed tonight!

You want to rock and roll? You want it loud?
We'll drive you crazy, knockin' our heads
Cause we're proud
Satisfaction Guaranteed

* Would you like to rock with me baby
Oh, shake your head
Would you like to rock
and roll all night long?
All night long, ooh yeah

So now you're feeling all right, feeling good
Push it to the limit, we're here to rock
Satisfaction guaranteed

* Repeat twice
