"Take Me Home"

I wanna go beyond
The midnight sun
Break the rules
Set by everyone
I wanna go beyond
The burning flames
No more chances
And no more games
Take me home

Don't wanna fill up
The lonely days
Give me love and
I'll change your ways
Just wanna feel
Your body in the dark
All the way
To your hungry heart

Take me home

Take me home

In the dark
I'll hold you tonight
Breaking out from
Under the sun

Take me home right now
Take me home right now
Take me home right now
Take me home right now

Ooh yeah

Solo

In the dark
I'll hold you tonight
Breaking out from
Under the sun

Take me home right now
Take me home right now
(Take me take me)
Take me home right now
Take me home right now

No No No No

Ooh

Take me home right now
