### "Twenty-Five Days"

I've been searching  
Through this heart of mine  
Feeling captured  
By a world of changes  
Silent pictures  
In the course of time  
Lead me gently  
Through the open pages

How long  
Can we keep holding on  
Are we only a step away  
What's left  
When all the hope is gone  
Leaving only the pain - deep inside

I remember  
How it used to be  
Long before we felt  
The hand of sorrow  
Holding traces of a memory  
On empty pages  
Where there's no tomorrow

[Chorus]

Now I can't believe  
You left me just  
Twenty-five days from home  
"Twenty-five days from home"  
You've takin' the dreams  
And left me just  
Twenty-five days from home  
"Twenty-five days from home"  
Now I can't explain  
Nothing's the same  
Without your love  
"Twenty-five days from home"  
No, I can't believe  
I'm alone  
Twenty-five days from home

"Twenty-five days from home"

[Chorus]
