Tonight's the night  
I'm breakin' out  
I gotta know  
What it's all about  
Hey Babe  
There ain't no way  
I'm gonna lose you.

I got your love  
In my blood tonight  
And I'm so far gone  
I can't see the light  
Oh yea  
The pressure's on  
And I'm cruisin'.

Baby take me back  
Where I belong  
Take me back before  
The night is gone...  
No I can't escape  
The thunder  
Of your burning  
Wings of love  
Take me down and  
Love me Baby  
Slow and easy!

[Chorus:]  
You shook me  
SO HEAVY!  
All night long

You took me  
ROCK STEADY!  
All night long

You shook me  
SO HEAVY!  
Baby, all night long

You took me  
ROCK STEADY!  
All night long

Startin' out  
I'm baring down  
You got me burning  
At the speed of sound...  
Oooo...  
And I'm coming  
To get ya!

Ain't nothing  
Gonna stop me now  
If ya can't get loose  
I can show you how  
I'm gonna hold  
You tight  
'Cause I can still  
Remember!

Baby take me back  
Where I belong  
Take me back before  
Before the thrill is gone  
I've been on the road  
Of lightning  
With a circuit overload  
Take me back  
And love me, Baby  
So easy!

[Chorus]
