Rufus is a tit man  
Suckin' on his mamma's gland  
Suckin' on the nipple  
It's a sweeter than the ripple wine.  
Yes its sweeter than the wine.  
You can tell by the way the boy burps  
that it's gotta taste fine.

Marco Polo craved the spice and silk  
And Rufus craves the mamma's milk  
No moo-cow no billy-goat  
Is gonna get the baby's vote.  
Come on mamma,  
Come on and open up your shirt  
Yeah you've got the goods mamma  
Give the little boy a squirt.

For my lungs and my liver  
I do definitely fear.  
I like to suck on cigarettes  
And drink the wine and beer.  
The doctor says I'm oral  
Bblblbllla-a-a-a-a-  
And I believe it's true.  
Ah son you look so satisfied  
I envy you.

So put Rufus on the left one  
And put me right on the right  
And like Romulus and Remus  
We'll suck all night.  
Come on mamma  
Come on and lactate awhile.  
Yeah look down on us mamma  
And flash us a Madonna smile.
