We've come a long way since we last shook hands
Still got a long way to go
We couldn't see the flowers since we last shook hands
Couldn't see the flowers on account of the snow
What did you do with your burden and your cross
Did you carry it yourself or did you crack
You and I know that a burden and a cross
Can only be carried on one man's back
All my life I wanted to roam
To go to the ends of the earth
But the earth really ends where you started to roam
You and I know what a circle is worth
Let's drink a cup to what went down
There's not much left to reveal
I think I changed my mind after what went down
As to who in the end got the better deal
Give me your hand for the parting touch
Fare thee well and thanks a lot
I know that we promised we would keep in touch
But you and I know that we both forgot
We've come a long way since we last shook hands
Still got a long way to go
Couldn't see the flowers when we last shook hands
Couldn't see the flowers on account of the snow
