I want a double lifetime
I want to start over
Ane lifetimeâ€™s not enough I need another
Sixty-four years on a practice run
Practice makes perfect lâ€™m about half done
I want a double lifetime
I want a double lifetime
I donâ€™t want to snuff it
Threescore and ten just ainâ€™t enough
Feels like finally got it all figured out
Almost free from the shame and the doubt
I want a double lifetime
A lot more time
Thatâ€™s what I need
I can make my move I can do the deed
I know lâ€™m pretty but what do I care
For the afterlife I donâ€™t want to go there
I want a double lifetime
Man I deserve it
I want it so bad I even got the nerve
Itâ€™s gonna take to get down on my bended knees
And make a prayer saying Pretty please
Give me a double lifetime
[Letâ€™s play it Jack
Make mine a double]
I want a double lifetime
I wasted my first one
The first time around thatâ€™s always the worst one
You donâ€™t know what youâ€™re doing and you just
canâ€™t wait
You go ahead and do it and then itâ€™s too late
You need a double lifetime
I led a double life in public and private
I want to lead it again, lâ€™m not going to deny it
lâ€™m just like you, itâ€™s true you know
Ask yourself are you ready to go?
You want a double lifetime
A little more time but you know I never
Want to keep living forever and ever
I know it sounds funny if the truth be told
But a hundred and twenty donâ€™t seem that old
I want a double lifetime

Not going to get it
But if a miracle happens you know I'm gonna let it
If I eat enough yogurt maybe I might
And the second time around I'm gonna get it right
Give me a double lifetime
