Dive in the Pool
performed by Barry Harris

Let's get soak and wet
Let's get soak and wet

Are you ready?

Ha, ha, ha?
Hey, nothing

Now I know there's a quite a few of you
Who don't quite get it yet?
But I wanna see each and everyone of you
In the pool with me tonight

You see baby
The vibe is right and the feel is right
And we're all just one big happy family here tonight
So I wanna see each and everyone of you
Dive in the pool with me tonight

Come on
Are you ready?
Come on
Come on boy
I wanna see you
Are you ready?
Are you ready?
Come on
I wanna hear it
Let's get soak and wet
