NYC Underground Party Vol. 3 Medley  
performed by Bad Boy Joe?s Radio Edit

When the world is darker than I can understand  
I turn to you  
Like a flower leaning towards the sun  
I turn to you  
Cause you?re the only one  
Who can turn me around?  
When I?m upside down  
I turn to you (I turn to you)

Dunque fuggisti  
Dunque perdersi  
I brevi vortici  
Ormai salvo  
La notte, la notte, la notte  
Ah!

Zombie Nation  
Oh?

Someone like you  
Someone  
Someone

Tell me why  
Tell me why

Ha, ha, ha?

I?m gonna send him to outa space  
To find another race

But you see, baby  
Feelin?  
But you see, baby  
Feelin?  
But you see, feeling good

Blackout

Blackout  
Let's get soak and wet  
Blackout  
Blackout  
Let's get soak and wet

Don't?

You don't seem to understand  
That I don't want another man  
We gotta work this thing out  
So you can know what I'm about

You don't seem to understand  
That I don't want another man  
We gotta work this thing out  
So you can know what I'm about

Put your hands together  
Put your hands together

Looking for a good love  
You know it's very hard to find  
Looking for a good love  
You know it's very hard to find

Looking for a good love  
You know it's very hard to find  
Looking for a good love  
You know it's very hard to find

Hard to find?
