I'll take the legs from some old table  
I'll take the arms from some old chair  
I'll take the neck from some old bottle  
And from a horse I'll take the hair

I'll take the hands and face from some old clock  
And baby, when I'm through  
I'll get more loving from the dum, dum, dummy  
Than I ever got from you

Get me some legs, get me a chair  
And a bottle, too  
Give me a horse, give me some time  
And baby, when I'm through

I'll take the legs from some old table  
I'll take the arms from some old chair  
I'll take the neck from some old bottle  
And from a horse I'll take the hair

I'll take the hands and face from some old clock  
And baby, when I'm through  
I'll get more loving from the dum, dum, dummy  
Than I ever got from you

I get more loving  
From that dum, dum, dummy  
Than I've ever gotten from you  
Yeah, mama, get more loving  
From a dummy than I get from you
