All by myself left alone at home and feeling blue
Thoughts keep running through my mind, they are all
of you
I wonder if you're dancing with somebody new

I wonder, I wonder
Can't help it if I wonder

No matter which side of the pillow that I'm sleeping on
My dreams of you continue through until the dawn
And after that I find the date crew comes on

I wonder, I wonder
Can't help it if I wonder

You care for someone else I see
Well, then it's quite alright with me
I'm gonna get me dressed up in my Sunday suit
Find myself somebody who is twice as cute
And when you realize that you and I are through

I wonder, I wonder, I wonder

Why do you care for someone else I see
Well, then it's quite alright with me
Then I'm gonna get me dressed up in my Sunday suit
Find myself somebody who's as twice as cute
And when you realize that you and I are through

I wonder, wonder
As I wonder about you
