I wonder my little darling  
Where can you be this moonlit night  
Are you holding someone tight  
Oh Baby, I wonder

My heart is aching, I'm a fool  
To let it go on breaking  
Maybe I'll awake and find that I'm mistaken  
I wonder

Baby, since we're through I've been through lover's  
lane  
But in my heart there's only pain  
You went traveling, but will it last?  
While I'm traveling nowhere fast, sweetheart,  
sweetheart

I wonder, well, well, well, little baby  
If this new love dies, where will you be  
Will your heart come running back to me  
Baby, I wonder
